At our Pre-School we aim to provide the four Themes of the Early Years Foundation Stage which are:

### A Unique Child

Every child is a competent learner from birth who can be resilient, capable, confident and self-assured.

### Positive Relationships

Children learn to be strong and independent from a base of loving and secure relationships with parents and/or a key person.

### Enabling Environments

The environment plays a key role in supporting and extending children's development and learning.

### Learning & Development

Children develop and learn in different ways and at different rates and all areas of Learning and Development are equally important and inter-connected.

## Areas of Learning & Development:

Personal, Social & Emotional Development

Communication, Language & Literacy

Problem Solving, Reasoning & Numeracy

Knowledge & Understanding of the World
