As you may know, our lovely pigs are going on Monday and many of you have expressed an interest in buying some meat. If you already know what you want, great, just let me know.

For those of you who are not sure what to ask for, or need some inspiration, here's what's available...

½ pig - priced at £6 per kg. (Average weight expected to be about 25kg)

Contains:

-  Leg – cut into 3 roasting joints (bone in or boned and rolled - please let us know which you prefer. **We must know by end of day Monday 30th January if you want specific joints** or you get it how it comes!)
-  Shoulder - hand of pork (foreleg) and 2 small or one large shoulder joint
-  Loin - into pork chops (or 1/2 into chops and 1/2 as a joint)
-  Belly draft - into 3 pork belly joints
-  1/2 head, trotters and liver (optional). **Please let us know if you would like this or not.**

Bespoke butchery is possible if you would like anything different to the above (e.g. mince or cubed stewing steak) - a small butchery charge may be incurred if requirements are very different from the above standard butchery.

I haven't included sausages in the 1/2 pig but I could make you some up from the shoulder at an additional cost of £10; you would get about 2 kilos sausages. Alternatively you can order sausages separately. Again, specific requests must be with us by end of day Monday 30th January.

Please note that I work out the price on the weight of the 1/2 pig before it is jointed - so you don't end up paying more just because the joints are bone-in joints etc.

Family Selection Box - Large

-  Leg joint £7.50 per Kg
-  Joint of Belly pork £7.5 per Kg
-  6 Loin Steaks £9 per Kg
-  18 Sausages (selection available) £9 per Kg
-  Minced pork £7per Kg

Family Selection Box - Small

-  Shoulder Joint £7 per Kg
-  2 Rump Steaks £12 Kg
-  1/2 Kilo minced pork £6.50 per Kg
-  6 Sausages £9 per Kg

Gammon, picnic ham, bacon, sausages and cheek will also be available. For smaller orders just request specific standard cuts, but priority will go to fulfilling the larger orders, so I hope you are not disappointed!

The pork will be ready for collection at the end of next week.
Delivery can also be arranged, for an additional fee.
